OSS, for fees and expenses of examining surgeons \$1,500,000; for salaries of 18 pension agents \$72,000 and for elerit hire \$300,000. The latter term is increased by an amendment of the Committee on Appropriations to \$400,000. Another amendment reported from the committee strikes out the proviso limiting such compensation to \$5. The latter amendment gave rise to a very long discussion. All the committee amendments baving been acted on the bill was passed—Mr. Stewart not offering the amendment of which he had given notice, to insert the free coinage bill as part of the pension appropriation of a tunnel under New York bay. The house bill for the cancellation of the contract with the United States engicontract with the United States engi-neer for the delivery of stone for the improvement of the mouth of the Columbia river. The senate bill to us-tablish a marine board for the advance-ment of the interests of the merchant marine. Senate bill authorizing the

ment of the interests of the merchant marine. Senate bill authorizing the secretary of war to cause the exploration and survey to be made of the interior of Alzeka and appropriating \$100,000 for that purpose. Senate bill to extend for two years the act authorizing the Choctaw Coal and Railway company to construct a road through Indian Territory. The house bill for the construction of three Indian industrial schools in Visconsin, Minnesota and Michigan, the cost not to exceed \$30,000 cach. Adjourned.

Feb. 6.—Mr. Paddock presented reso lutions of the Nebraska house of representatives against the passage of the Conger lard bill, for the reason that its passage would inflict great losses up on the cattle lindustry of Nebraska, and in favor of the Paddock pure food bill. The naval appropriation bill was reported with sundry amendments. Mr. Morgan argued in favor of the bill to aid in the construction of Mr. Morgan's speech the sonate resumed the consideration of the house bill providing for the adjustment of accounts of the laborers, workmen and mechanics arising under the eight hour law and was addressed by Mr. Morrillin opposition to it. Mr. Stewart argued in favor of the bill. The amendment reported from the committee on education and labor was read. It strikes out of the house bill the provision that it shall

after a discussion the senate adjourned.
Feb. 4.—In reference to the petition in regard to the Conger Lard bill Sena tor Cockerill said that these potitions eminate from the same source and are distributed from a central agency. The fertification bill was taken up and passed.
The military academy bill was then went into committee of the whole then taken up and passed with but one amendment. The appropriations peuton such a such as the went into committee of the whole in the sundry civil appropriation bill to sundry civil appropriation bill the civil civil appropriation bill the civil civil appropriation bill the civil civi amendment. The appropriations peu-sions bill was then taken up and went over as unfinished business. After an executive session the senate adjourn-ed. Feb. 5:—Among the bills reported and placed on the senate calender to-day was one increasing the pension of Gen. Custer's widow to \$100 a mouth. Senator ingalls stated that had he been present he would have voted against the Cloture bill, and would have invored laying aside the elections bill for any other business. The pension appropriate amendment. The speaker proceeded to deliver his decision, sustaining the point of order. Mr. Bland appealed from the discussion and the decision was sustained 134 to 127. Mr. Doctury mo ed to strike out the appropriation of \$20,000 for re-coinage and insert the words "and so much as may be accessary to meet the expenses of such recoinage is hereby appropriated out of the silver.

General. Domestic. Feb. 2.—A race war is pended payment temporarily with liabilities of \$125,000 and assets twice that Alabama and Governor Jones orders out Alabama and Governor Jones orders out the state militia. Soveral men have airready been killed. Revolvers were drawn in court during a murder trial in Decatur, Ills. E. B. Regers, manager of the New Orleans watch and jewelry company, skipped with \$10,000. John Stocksick in playing the role of peacemaker in a bar room fight in St. Louis, was shot dead. Joo Tansy of Memphis, Tenn., defeats John Worley of Mount Pleasant, Iowa, in 27 rounds, in a prize fight. The funeral of Secretary Windom, at Washington, was most solomn and imposing. During the forenoon the York, the house of bishops of the Episand imposing. During the forenoon the body lay in state at the family residence where it was viewed by the public. The services were held at 12 o'clock at stonary bishop of Japan. The services were held at 12 o'clock at the Church of the Convent by the Roy. Dr. Hamlin. The remains were conveyed to Rock Creek cemetry and there interred. A wagon load of alived there interred. A wagon load of alived the filter of the convent was all that remained to tell the story. Three negroes were bursed to death in the fall at Friars Polut, Miss. All public offices throughout the country are closed on account of the funeral of the late secretary. Windom. Congressman Taylor, before the sliver pool committee, acknowedged buying silver. Owenby was on the stand, but disclosed little new evidence. Great destitution is reported in Decatur County, Kansas The theoremeters is below zero all over committee, acknowedged buying silver. Owenby was on the stand, but disclosed little new evidence. Great destitution is reported in Decatur County, Kansas The themometer is below zero all over the Northwest. Pittsburg is talking of a \$25,000,000 ship canal to Lake Erio. A cyclore in the vicinity of West Point, Miss., fatally injured several negroes. Secretary Noble has ordered the Cherokees to leave the Strip. They refuse. T. B. Woodside, an Illinois farmer, blew out his brains in the presence of his betrothed. A decision in favor of the American edition of the Locyclopedia Brittanica has been rendered by a New York judge. Twelve hundred iron and steel workers have been thrown out of work by shut-downs at Pottstown and Reading. Pa. Link Waggener, a Louisiana desperado, shot two members of a mob that broke into the parish jall at Homer, La., to kill him. The Omaha Indian half breeds have complained to President Harrison of Agent Ashley, who they say, wishes to drive them from their lands. Search of the papers of Catherine McKnight, who killed herself in Chlosgo, revealed that she had five bashands and was a apy during the

Offered \$2,300 to be Shielded. Chicago, February 10.—J. A. Owen-by, the silver pool witness, returned from Washington yesterday. He threat-ens to bring suit against the sergeantat-arms of the house and others whom he holds responsible for his arrest while there. In an interview he said that he had a great quantity of evidence which he was not permitted to give, which would have shown that he and Donald, the New York cashier, had an explicit understanding. Mr. Owenby exhibited zons on one side and a gang o understanding. Mr. Owenby exhibited a number of telegrams and letters signed "Donald," which were evidently in cipher or very guardedly worded, as horse thieves and outlaws on the other was fought at Howeth ranch near Berwyn, I. T. All the band, numbering nine, were captured, save one. Hudgins, the leader of the cutlaws was slightly wounded. A lymph patient at Kansas City is dead. The coroner will investigate. Boston negroes suggest the names of several of their race to succeed Windom. The Indiana hard coal miners have struck, owing to a

coal miners have struck, owing to a reduction of wages. The last of the Winconsin pinery dens of infamy has been raided by officers and closed. A Found Murdered. Denison, Tex., February 10.—S. J. Freeman, a citizen of the Indian terri-tory was found dead Saturday evening ing for the adjustment of seconds of the laborers, workmen and mechanics arising under the sight hour law and was addressed by Mr. Morrillin opposition to it. Mr. Stewart argued in facet of the hill. The amendment rejorcite from the committee of the hill the previous that W shall need to the partial plant and the opposition to it. Mr. Stewart argued in facet of the hill. The amendment rejorcite from the committee of the hill the previous that W shall need to oppose the work or service was permitted under any contract, express or implied and the workfrom the partial port be operative whenever the count of characteristic was permitted under any contract, express or implied and the workfrom the being all the laborers to the bill as it passed that he was permitted under any contract, express or implied and the workfrom has been paid theories the amount agreed agon. Mr. Sherman said that he would not be bill as it passed the bill as a facet of the bill as it passed the partial of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as it passed the partial plant of the bill as it passed the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the bill as a facet of the partial plant of the partial plant of the partial plant of the partial plant of the pa

than Postmaster Finley's removal. The committee that complaints to-day were dismissed, the department ruling that Postmaster Finley had acted very properly in rendering prompt assistance in time of war to the military authorities.

Incendiaries Infest Waco, Tex.

Waco, Tex., February 10.—Waco is gan, senate amendments to the fariffication appropriation bill was nonconcurred in and a conference was or out the city. Last night a saloon in the least of the city was a soloon in the committee that com dered. The house then adjourned.

The army and navy pension appro-riation bills were sent to conference. Mr. Abbott of Texas, from the com-

Miss Drexel was in Washington a few days ago consulting with the Interior department with respect to the establishment of Indian schools at Pine Ridge and other points. During the past year she has founded a Catholic mission school and orphanage for the colored Catholics of this city.

After her profession she will begin to receive a number of young ladies into the new order. Thursday's ceremony will be of double interest, inasmuch as it will be the profession of the first sister of the new order and one who in the sunday of the first sister of the new order and one who in the future will be its superior. Archbishop future will be its superior. Archbishop Mr. Hayes of Iowa, offered an amend- so as to allow the brain to develop

heart of the city was entered in the rear the safe robbed of \$1,300 and the floor Washington, February 10.—Mr. Wickham of Ohlo, asked unanimous consent for the committee on colnage, weights and measures to sit during the session of the house.

Mr. Hopkins of Illinois, objected, but subsequently withdrew his objection and the leave was granted.

The army and pary pension appro-

Mr. Abbott of Texas, from the committee on public buildings and grounds, reported back the bill providing for the extension of the public building of Dallas, Tex., at a cost of \$200,000. This bill passed congress last session, but was vetoed by the president. The recommendation of the committee is that the bill be passed over the veto. The bill was passed—yeas 141, nays 69, the macessary two-thirds voting in the affirmative.
